EDUCATION

Beijing University of Chemical Technology (BUCT) | Beijing, China

Bachelor of Engineering in Bioengineering | Sep 2023 – Jun 2027 (Expected)

- GPA: 3.7/4.0
- Relevant Coursework: Biochemistry, Molecular Biology, Organic Chemistry, Data Analysis, Academic English, Cross-cultural Communication

CAMPUS & PROJECT EXPERIENCE

Digital Storytelling Project | Core Team Member | Feb 2024 – May 2024

- Co-created a multimedia digital storytelling project from concept to completion with a cross-functional team, handling scriptwriting and video editing.
- Integrated visual and audio elements using CapCut/Premiere to deliver the team's narrative to an audience of 100+ students.

Group Research Project | Project Lead | Mar 2024 – Apr 2024

- Led a group research project and delivered a 15-slide presentation summarizing comprehensive findings to peers and faculty.
- Coordinated team efforts and managed project timelines, earning a top-tier grade for the presentation.

Student Project Team | Team Coordinator | Sep 2023 – Jan 2024

- Coordinated meetings and facilitated communication for a five-member project team over one semester, ensuring alignment on goals and deadlines.
- Collaborated with peers to resolve scheduling conflicts, achieving 100% on-time task completion.

Biology Laboratory Course | Lab Team Member | Sep 2023 – Dec 2023

- Conducted experiments in a four-person team while adhering to laboratory safety protocols and experimental procedures.
- Recorded and analyzed experimental results accurately, contributing to reliable data reporting and team conclusions.

BUCT English Speaking Competition | Finalist | Oct 2023

- Selected as a finalist among 50+ participants in a university-wide English speaking competition.
- Delivered a persuasive speech on cross-cultural communication, demonstrating strong public speaking and critical thinking skills.

International Student Orientation | Volunteer | Sep 2023

- Supported approximately 30 international students with campus registration and orientation, helping them transition smoothly to university life.
- Guided students through administrative procedures and campus facilities, offering bilingual support to bridge language barriers.

SKILLS

- Languages: Mandarin (Native), English (Fluent; CET-6: 580, IELTS: 7.0)
- Technical: Microsoft Office Suite (PowerPoint, Excel, Word), SPSS (Basic), Bio-lab equipment handling, Video Editing (Premiere/CapCut)
- Soft Skills: Cross-cultural communication, team collaboration, project coordination, public speaking

HONORS & AWARDS

- University Third-Class Scholarship, BUCT (2024)
- Outstanding Volunteer, International Student Orientation, BUCT (2023)
- Finalist, BUCT English Speaking Competition (2023)
